11a

Diagram 11a illustrates the process of attaching the door to the frame. The main illustration shows the door being lowered into the frame. A separate component, labeled '1', is shown with a red arrow pointing to the door's edge. Below the main diagram are three numbered steps (2, 3, 4) showing the door handle being inserted into the door frame and secured with a screw.

11b

Diagram 11b illustrates the final step of attaching the roof hatch to the roof. The main illustration shows the hatch being lowered into place. Two red boxes highlight the locking mechanism. Below are four numbered steps:

- The hatch is lowered into position.
- The red arrow points to the latch.
- The latch is pushed down.
- The latch is fully engaged, with a "CLICK!" sound effect.

12

Diagram 12 illustrates the disassembly of the table. The process is shown in three steps:

1. Removing the orange plastic clips from the underside of the table.
2. Tilting the table back.
3. Lifting the table from the legs.

A recycling symbol is shown with an arrow pointing to the removed clips, indicating they should be recycled.

The diagram illustrates the correct and incorrect use of a hand saw. On the left, a green checkmark indicates a correct cut, where the blade is perpendicular to the workpiece. On the right, a red X indicates an incorrect cut, where the blade is at an angle. A red arrow points from the correct cut to the incorrect one, labeled '13c'.
