SCHEDA DI IDENTIFICAZIONE PRODOTTO
<i>SCALE A GIORNO</i>
ISTRUZIONI PER PULIZIA
- Per la pulizia impiegare acqua o liquidi privi di acidi, componenti alcalini ed elementi abrasivi.
ISTRUZIONI PER LA MANUTENZIONE
- Dopo circa due mesi dalla data di installazione occorre serrare le viti di fissaggio dei vari componenti.
- Eventuali manutenzioni straordinarie devono essere eseguite da personale qualificato. Contattare il produttore.
PRECAUZIONI D'USO
- Evitare usi impropri e non consoni al prodotto.
- Eventuali manomissioni o installazioni non rispondenti alle istruzioni del produttore possono inficiare le conformità prestabilite del prodotto.
MODALITA' DI SMALTIMENTO
- Una volta dismesso o non più utilizzato, il prodotto, tutti i suoi componenti e gli accessori non devono essere dispersi nell'ambiente ma conferiti ai locali sistemi pubblici di smaltimento in conformità ai disposti normativi vigenti.

PRODUCT IDENTIFICATION CARD
<i>OPEN STAIRCASES</i>
CLEANING INSTRUCTIONS
- Clean only with water or any liquid free from acids or abrasive parts.
MAINTENANCE INSTRUCTIONS
- Two months after installation tighten the fastening screw of all the components.
- Any extraordinary maintenance operation shall be carried out by specifically qualified personnel. Please, contact the Manufacturer.
INSTRUCTIONS FOR USE
- Do not use the product improperly or for different purposes.
- Any tampering with the product or installations not compliant with the manufacturer's instructions may invalidate the established conformity requirements of the product.
INSTRUCTIONS FOR DISPOSAL
- When the product is disposed of or no longer used, all its components and accessories should not be scattered in the environment, but rather delivered to the appropriate local public disposal systems in compliance with the relevant regulations in force.

FICHE D'IDENTIFICATION DU PRODUIT
<i>ESCALIERS</i>
NETTOYAGE
- Pour le nettoyage, utilisez de l'eau ou des produits sans agents acides ni abrasifs.
ENTRETIEN
- Deux mois environ après l'installation, revissez toutes les vis de fixation des différentes composants.
- Les opérations d'entretien extraordinaire doivent être effectuées par un personnel qualifié. Contactez le fabricant.
PRECAUTIONS D'USAGE
- Evitez les usages impropres non adaptés au produit.
- Une installation non appropriée ou ne répondant pas aux instructions du fabricant modifie la conformité du produit.
MISE AU REBUT
- Lorsqu'il n'est plus utilisé, le produit et ses accessoires ne doivent pas être dispersés n'importe comment dans l'environnement, mais remis à un centre spécialisé dans le traitement des déchets conformément à la législation locale en vigueur.

PRODUKTIDENTIFIZIERUNGSBLATT
<i>TREPPEN</i>
REINIGUNGSANLEITUNGEN
- Zur Reinigung Wasser oder säure- und schleifmittelfreie Flüssigkeiten verwenden.
WARTUNGSANLEITUNGEN
- Etwa zwei Monate nach der Installation müssen die Arretierschrauben der verschiedenen Bauteile nachgezogen werden.
- Eventuelle Sonderwartungsarbeiten müssen durch qualifiziertes Personal durchgeführt werden. Setzen Sie sich bitte mit dem Hersteller in Verbindung.
VORSICHTMASSNAHMEN BEIM GEBRAUCH
- Ein unzumutbarer und unangemessener Gebrauch des Produktes ist zu vermeiden.
- Eventuelle Verstärkungen bzw. den Herstelleranleitungen nicht entsprechende Installationen können die vorbestimmte Konformität des Produktes beeinträchtigen.
ENTSORGUNG
- Wenn das Produkt zerlegt und nicht mehr benutzt wird, müssen alle Bau- und Zubehörteile nach geltenden Normenvorschriften den örtlichen öffentlichen Entsorgungsstellen übergeben werden. Nicht in der Umwelt zerstreuen.

FICHA DE IDENTIFICACION PRODUCTO
<i>ESCALERAS ABIERTAS</i>
INSTRUCCIONES PARA LA LIMPIEZA
- Para la limpieza emplee agua o líquidos sin ácidos o elementos abrasivos.
INSTRUCCIONES PARA EL MANTENIMIENTO
- Después de dos meses aproximadamente a partir de la fecha de instalación es preciso volver atornillar los tornillos de fijación de los diferentes componentes.
- Operaciones de mantenimiento extraordinario, en su caso, deben ser llevadas a cabo por personal calificado. Contacte al productor.
PRECAUCIONES PARA EL EMPLEO
- No emplee para finalidades impropias o no conformes al producto.
- Violaciones o instalaciones, en su caso, no conformes a las instrucciones del productor pueden comprometer las conformidades preestablecidas del producto.
MODALIDADES DE DESECHO
- En cuanto cese o no se emplee más el producto, todos sus componentes y accesorios no deben desecharse en el medio ambiente sino que deben ser entregados a los sistemas públicos locales de desecho en conformidad con lo dispuesto por las leyes vigentes.
